

The Coconut Specialist!

Delivering Indonesia's Coconut to the **World**

www.sambugroup.com

We are the coconut specialist.

Since 1967, Sambu group has generations of experience in developing coconut based products. With three state-of-the-art coconut processing facilities and massive fully irrigated coconut plantations in Indonesia today, Sambu group is the world's largest fully integrated coconut industry. To ensure best product quality and consistency, only the freshest coconut harvested from plantations and surrounding regions are processed in facilities certified with Food Safety System Certification (FSSC) 22000. As a responsible business, the coconut processing facilities are Sedex Members Ethical Trade Audit (SMETA) 4-pillars compliance.
