

CK INGREDIENT

Sdn Bhd (689902-W)

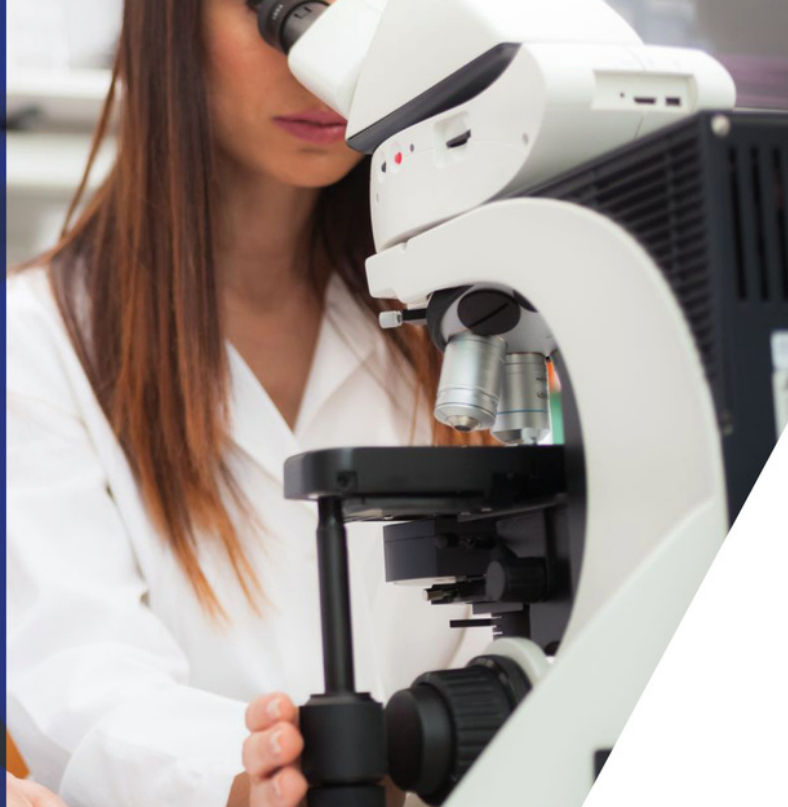

EXCELLENCE

IN PHARMA, NUTRA, ENZYME & FOOD INGREDIENTS

About Us

Established at year 2003, for over a decade CK Chemical Sdn Bhd has been providing quality ingredients for the market in Malaysia. Though a young company, our products range dynamically cover food, nutraceutical, pharmaceutical, sugar and sweetener industry.

In year 2018, CK Chemical Sdn Bhd changed the company name to CK Ingredient Sdn Bhd

Our Assurance

With a firm belief of problem solving is the best way to satisfy customer needs, CK Ingredient experienced and knowledgeable professionals always position themselves as the foremost solution provider to all customers

We will continue to deliver innovative products and solutions while maintaining uncompromising commitment to both safety and quality

Our Products

- Vegetable and Fruits Juice Powder
- Organic Soya Powder
- Instant Black Tea, Coffee, Cocoa Powder
- Grains
- Flavours
- Vitamins & Minerals
- Amino Acids
- Enzymes
- Prebiotic & Probiotic
- Tablet Coating / Excipients
- Essential Oils

Juice Powder

Soya Bean Powder

Services

We Provide One-stop Solutions

Product

As an innovative partner, we can provide with a wide range of raw materials including powder extracts, juice powder, flavouring, beverages, vitamins, minerals, and food conditioner. We always ready to provide assistance and product technical support.

Product QC

We are equipped with professional in house Quality Control laboratory, which ensures that products are consistent in quality and comply with the specification.

R&D

Our Research and Development (R&D) department is essential in maintaining the company's competitive position. Our creative food technologist develop new applicable knowledge and solutions from time to time.

Warehouse

As a responsible food ingredient supplier, CK Ingredient provides a clean, compliant and operationally efficient environment to our raw material.

Delivery

We have our own efficient transportations system. We ensure that our shipments and products are safely and punctually delivered to our customers.
