

NOT ALL COLLAGENS ARE ALIKE!™

AND EVEN
FEWER ARE
HALAL
CERTIFIED

BioCell Collagen®, a clinically studied dietary supplement ingredient, now also available in halal certified version, recognized as halal-certified by the Islamic Information Documentation and Certification GmbH (IIDC). This prestigious certification is accepted in nearly all Islamic countries, including the most rigorous in standards including:

- Saudi Food & Drug Authority
- United Arab Emirates
- The Central Islamic Council of Thailand
- JAKIM Malaysia
- HAK Turkey
- Indonesia

For those seeking top-quality halal-certified ingredients, including the 1.6 billion Muslims in the world, this certification provides consumers with transparency and trust in BioCell Collagen®.

BioCell Collagen® is produced according to halal standards recognized by the globally renowned standard of IIDC and all aspects of production are permissible according to Islamic law.

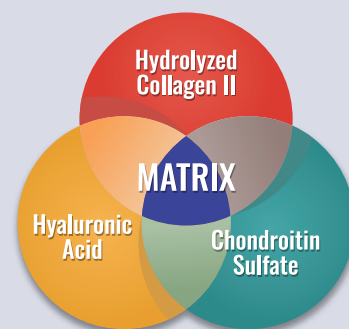

BioCell Collagen® is a scientifically backed dietary supplement ingredient that addresses the physiological degradation

of connective tissue and the associated age-related loss of their structurally essential molecules. This is achieved as a result of BioCell Collagen's unique synergistic ingredient composition of naturally occurring:

- *hydrolyzed collagen type II peptides*
- *chondroitin sulfate*
- *hyaluronic acid*
