PREMIUM TASTE EXPLORERS

# About us.

Vonk Cheese Belgium is a family owned company, 4th generation.

Starting in 2008 with offering cheese & butter for the catering (QSR), wholesale and industry. Our products were sourced in various countries in the EU and distribute worldwide.

In 2015 we decided to expand our product range in order to fullfill the complete demand of new and existing customers in the industry.

Starting with production CheesePowder for industrial applications.

With strong demand from the market VonkCheese decided in 2024 to expand our production CheesePowder .
