COMPANY » INTRODUCTION

Hubei Mingda Plastics Products Co., Ltd is a packaging industry wholly-owned by Dongguan Mingda Plastic Products Co., Ltd which is a comprehensive drug and food manufacturer, specializing in the design, development ,production and marketing of pharmaceutical, health care products, food and cosmetics packaging containers. Founded in 2006, the company now covers an area of 103.98 acres, with a factory building area of 22,000 square meters. The company has more than 1,600 main production equipment and inspection instruments;the company specializes in the production of packaging containers and bottles for medicinal, health products, food and cosmetics.The body adopts imported materials HDPE and PET polyester, and the bottle cap adopts imported material PP polypropylene. The sealing paper adopts FS-20 pressure-sensitive automatic sealing paper and heat-sensitive aluminum foil sealing piece imported from the United States.Since the establishment of the company, in line with the tenet of "customer first, quality first" and the core value of "quality is the life of an enterprise, talents are the pillar of enterprise survival, and customers are the foundation of enterprise survival", Mingda Plastics has developed into a competitive international plastic container supplier.The products are selling well overseas, from neighboring Asian countries including Singapore, India, Japan, Malaysia, and Parkistan korea to the United States, Britain, Portugal, Australia, Spain, New Zealand and other countries.

The company not only compiled a series of process documents in accordance with the requirements of the QS production license, but also fully imported them into the work control, so that the company's management work moved towards a standardized, procedural and standardized track. At the same time, our company has passed ISO9001:2015, ISO22000:2005, ISO14001:2015, FDA and other series of certifications.
