Sofeze®

Dry Pre-mixes for Softy Desserts

Sofeze® products are a “all-in-one” dry powder ready premixes for preparing Softy's, Frozen Desserts Soft Serves, Milkshakes, Frozen Yogurt and other cold dairy preparations.

Sofeze® is available in 3 variants:

- **Sofeze®M** - to be reconstituted in **Milk**.
- **Sofeze®W** - to be reconstituted in **Water**.
- **Sofeze®Y** - to prepare Frozen Yogurt type Softy's, to be reconstituted in **Water**.

Sofeze® is available in various flavours such as Vanilla, Chocolate, Strawberry and many other flavours such as Butterscotch, Mango, Pistachio etc. Enquire with us for the full list of flavours available.

Sofeze® offers **several advantages** over traditional liquid premixes:

- 1 year shelf life in dry form, unopened. Store indoors in a cool dry place.
- Requires no refrigeration, heating, pasteurising, homogenisation or cold chain transportation.
- Standardisation of taste, texture and quality of the Softy for every serving.
- High over-run, 40% - 45% in gravity machines and 70%-75% in pump machines.
- Reduce wastage at the end of the day – use only as much as you need.
- Allows making small batches, several times a day to avoid leftovers of liquid mixes.
- Avoid measurement and mixing of several individual ingredients.
- Minimises variations in cost and final product output.
- Ease of use for operators and servers – no special skills required.
- Economical.

Sofeze® is available in 1 Kg pouches and 5 Kg pouches.

Sofeze® is manufactured in Lucid's Plant in India that is certified ISO9001, ISO14001, ISO 18001, ISO45001, BRCGS (A+) and USFDA cGMP.

Lucid Colloids is a family-owned Indian company, established in 1958 with 3 Manufacturing Plants, 2 overseas subsidiaries and 350 employees.
